EXPERIENCE

MICROSOFT | Visual Designer and Illustrator

September 2018 to September 2019 | Seattle, Washington
During my 1 year contract with the Windows Creative Direction team I led the initiative for Windows to adopt the new Fluent illustration style. I collaborated daily with other teams, and oversaw its implementation across products in order to build a cohesive brand.

TEMPERED NETWORKS | Graphic Designer

September 2017 to September 2018 | Seattle, Washington
Working as the only designer for a startup of around 70 employees, I designed the collateral and brand. The environment was fast paced, and I mastered quick turnarounds in high pressure situations.

GRAPHICA INC | Graphic Designer

June 2016 to September 2017 | Seattle, Washington
I worked on a 3 person design team to create brand identities, websites, advertisements & environmental graphics.

FREELANCE | Photography & Design

June 2013 to Present | Seattle, Washington
Clients include Nova AMP, Graphica Inc & ΣK Sorority. Advanced professional skills in product & portrait photography as well as Adobe Photoshop & retouching.
